## **Declaration in accordance with the REACH Regulation**

Referring to Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the registration, evaluation, authorization, and restriction of chemicals,

**Sacchi Elettronica declares that:**

- It does not produce, use, or purchase chemical substances as such that are classified by the legislation as being of very high concern (SVHC) and thus has no obligation to pre-register.
- The products supplied to you comply with the REACH regulation and do not fall under the obligations of Article 33, as the concentration of substances considered dangerous contained is less than 0.1% by weight of the product itself, therefore they are exempt from restrictions.
- It has requested its main suppliers to verify and inform Sacchi Electronics regarding their position concerning the REACH regulation relating to the chemical substances present in the Candidate List updated as of 21/01/2025 D(2024)7663-DC.
