## Statement of compliance with the REACH Regulation

In reference to Regulation 1907/2006 / EC of the European Parliament and of the Council concerning the Registration, evaluation and authorization of hazardous chemicals substances, Sacchi Elettronica

**declares that:**

It does not produce, does not use and does not buy chemical substances as such, qualified from legislation very dangerous (SVHC) therefore has no obligation to pre-register.

The products do not fall into the requirements dall'art.33 as the concentration of hazardous substances contained, it is less than 0.1% of the weight of the products, therefore they are free from restrictions.

It asked to the largest suppliers to verify and inform Sacchi Elettronica regarding their position in relation to the REACH Regulation about the chemical substances in the Candidate List updated to 17/01/2023 D(2022)9120-DC.
